

Rotating and magnetic display support | TOP'INFO 4 sided

Reference : 14

Description :

4-Sided Rotating Display Stand: An Aesthetic and Functional Communication Support The Rotating and Magnetic Display Stand | TOP'INFO 4-Sided is the ideal solution for structuring and energizing communication in your professional spaces. With its elegant anodized aluminum design, it combines aesthetics and practicality for intuitive use. **Maximum Visibility in a Small Space- A Generous Display Surface:** With its 4 rotating sides, this display offers a total capacity of 32 A4 formats, or 3 m² of display space, perfect for work environments requiring clear and organized communication.

- **Adjustable Height for Optimal Ergonomics:** The unit is mounted on a stand and can be adjusted in height to accommodate different configurations. With a total height of 2055 mm and 1195 mm panels, it is ideal for quick and efficient consultation. **Two finishes to suit your needs:** White varnished sheet metal backing for magnetic display or 800° enamel for dry-erase marker writing and magnetic display.

- **Easy customization:** A wide range of accessories compatible with the SESA SYSTEMS concept allows you to adapt this tool to your specific needs. Add additional supports to optimize your display and strengthen your organization.

A dynamic tool to motivate your teams- Smooth rotation for quick access to information: Thanks to its swivel system, the column allows easy consultation of documents and encourages interactive discussions.

- **An ideal support for visual management:** Designed for workshops, offices, and production areas, this communication board stimulates team organization and responsiveness.

Why choose our rotating display stand- A premium anodized aluminum design for elegant integration into any environment.

- **Maximum space saving** with a large display surface while maintaining a compact footprint.

- **A scalable tool** with accessories tailored to your specific needs.

Boost your internal communications with dynamic and effective displays. Need advice or a quote Contact us now!
