
2-colors reverso document protection | PRODOC REVERSO

Reference : 172

Description :

The presentation of information in real time. One hand is enough to turn the High-quality 2-colour document protection | PRODOC REVERSO to the desired orientation: red or green thanks to the magnetic fastening.

Benefits :

- High quality document protector for quick and easy display of your documents.
- Communicate instantly on the trend of a situation thanks to the 2 visible colours according to the orientation of the document cover: green (front) or red (back).
- Universal colour code to inform or warn your employees clearly and quickly.
- Updating information in real time, with a simple hand gesture.
- A very practical magnetic display solution, the PRODOC REVERSO, with its double-sided operation, is available from A3 to A6.
