

Indoor display case | Magnetic indoor display case with hinged door

Reference : 191

Description :

- Hinged PMMA plastic door. Left or right opening according to the direction chosen on installation
- Robust, natural-finish anodized aluminium frame
- Lacquered, sheet steel magnetic back with dry-wipe cleaning
- To guarantee user safety and to protect the environment, this display window is NF Education, NF Collectivité, NF Environnement, and PEFC certified
- Comes with 5 sets of interchangeable corners in classic (grey and red) and more modern (blue, green, yellow) colours to match with the colours of your logo or communication layout
- Identical or different locks to be specified when ordering, up to a limit of 10

Benefits :

- Indoor display case suitable for your reception halls, offices or workshops.
- Its magnetic lacquered sheet metal bottom serves both as a writing and display surface.
- With the colour corners provided, quickly identify the type of information inside.
- The swing door with key lock is ideal for displaying and protecting your company's business information.
