

KANBAN launcher | LEANFLASH LAUNCHER

Reference : 258

Description :

An innovative concept to visualize the management of manufacturing order. The originality aims to ensure a perfect guidance of manufacturing orders thanks to sliding clamp. The thresholds in green, yellow and red can be adjusted according to the required level. - Sliding clip (code 130322) sold separately

Benefits :

- Allows efficient, reliable and simplified management of production orders.
- Guarantees the operator's autonomy and reactivity in scheduling schedules.
- The magnetic version allows you to orient the accessory as you wish: tilt it slightly to obtain a slope for an even more effective visual result, thanks to the required color thresholds.
- Compatible with all our color and universal Kanban cards (to be customized). Other recommended plug formats: A4, A5, A6.
