

Transparent magnetic KANBAN cards | KANBAN MAGNETIC CARD

Reference : 269

Description :

The revolutionary and highly original LEANFLASH® range is based on the use of a versatile card of unique dimensions for multi-use. The same map can be used for different KANBAN follow-ups.

Benefits :

- This transparent universal magnetic card with unique dimensions of 70 x 100 mm can be used for all your Kanban projects.
- Versatile and multi-purpose, customize your card with ease according to your needs (product references, barcodes, suppliers, etc.).
- For even greater simplicity, print your information on paper directly in the right format using SESA'PRINT.
