
Side swivel support for plastic bins

Reference : 288

Description :

Side bin support with articulated level

Benefits :

- Revolutionizes the organization of the workstation.
- Side support for hanging your spouted bins allows you to organize your supplies, screws or small spare parts.
- Simple, easy and quick to attach to the grooves of the anodised grooved aluminium profile.
- Available in 1 or 3 levels.
- On a swivel arm, the bracket frees up a lot of space on your workstation.
