

Rubber connection profile for MULTISPACE | CONNECTION PROFILE

Reference : 335

Description :

Multiply your display surface with the plastic connection profile.- Black flexible rubber profile available in L 1500 or 2000 mm

- To be ordered with each additional panel

Benefits :

- Flexible black connecting rubber available in L 1500 or 2000 mm.
- Allows you to effectively connect your MULTISPACE complementary panels and create a real partition without empty spaces.
- Provides clean and neat finishes.
- Adapts to the movement of your partition: allows you to orient a panel in the desired direction without damaging the plastic.
