
Swivel document sleeves for DOCAFLEX

Reference : 344

Description :

Put together your presentation system using DOCAFLEX components! The metal pivots allow for effective and easy fixing of pockets on DOCAFLEX bases. - Set of 10 transparent PVC pockets with metal pivots.

- Opening on the large side.
- Attaches to all DOCAFLEX bases (wall, desk, rotor etc.).
- Colour: assorted or 7 single colours.
- Colour edge reinforced with solid steel wire.
- Provided with 5 indexes.

Benefits :

- Metal pockets with pivots available in several colours to classify your information by theme.
- Immediate and simplified access to information for your employees.
- The documents are well protected and perfectly legible thanks to the anti-reflective PVC with skin grained effect.
- Create your own DOCAFLEX wall display system with ease!
