

Environment poster display bracket | COM'DESIGN ENVIRONMENT

Reference : 353

Description :

COM'DESIGN Environment H 2143 mm with DOCAFLEX® 10 A4 pockets and curved headband

Benefits :

- This poster stand makes it possible to raise awareness among customers and employees about the environment and the company's values.
- The space-saving aluminium stem fits very well in a reception hall or at the entrance of a building.
- COM'DESIGN Environnement is equipped with a curved signage strip and a DOCAFLEX document holder with 10 A4 pockets. Thanks to the grooved aluminium profile, it is possible to customize this totem pole by adding accessories such as the brochure holder, a document display, etc.
