

Safety/Environment poster display bracket | COM'DESIGN SAFETY/ENVIRONMENT

Reference : 355

Description :

Placed at the entrance of buildings, awareness in terms of safety and the environment will be much more pertinent and effective via a stylish presentation. - The upper strip can be customised thanks to the interchangeable documents to slide under the transparent side.

- On anodized grooved aluminium pole, circular steel baseplate Ø 325 mm.

Benefits :

- This display bracket makes it possible to gather in the same place important information such as procedures, contact persons and also elements such as PPE equipment (gloves, glasses, earplugs) necessary to protect your employees, a medicine box in the event of a superficial injury, etc.

- Space-saving, it can be located near a work island or in your offices.

- The COM'DESIGN is equipped with a DOCAFLEX document holder with 10 A4 pockets and a signage strip. Thanks to the grooved aluminium profile, customize this totem pole according to the tools needed for your work environment.
