

Trolley on wheels with bin holder | LEANPOST 100

Reference : 575

Description :

The mobile trolley for bins |LEANPOST 100 is essential to loosen the production flow within the framework of LEAN MANUFACTURING and integrates all the components for the operators, this improves working conditions and the ergonomics at the workstation for better efficiency of the supply chain. - Chassis in metal sheet (grey epoxy paint) on 4 wheels Ø 100 mm/3.93 Inch (with brake)

- Grooved anodised vertical pillars
- Permissible load: 50 kg

Benefits :

- In the immediate vicinity of the production line, the LEANPOST 100 service allows operators to fluidize production flows easily thanks to its swivel castors equipped with brakes.
- This space-saving bin holder can support a load of up to 50kg.
- With its anti-fall edge, the slightly inclined and height-adjustable platform makes it easier to visualize the components and facilitate their access.
