

Trolley on wheels | Mobile trolley

Reference : 576

Description :

- Chassis in metal sheet (grey epoxy paint) on 4 wheels Ø 100 mm/3.93 Inch (with brake)
- Grooved anodised vertical pillars
- Provided with 2 tops (of which one is height adjustable) with a rubber coating and fall arresters (permissible load of 50 kg per level)

Benefits :

- This bin holder trolley is equipped with a non-slip rubber top plate and a height-adjustable bottom plate, both with a fall protection edge.
- Each level can support up to 50kg.
- Due to its size, mobility and robustness, the workshop trolley is ideal to support the operator in his movements from one end of the production line to the other.
