

KANBAN batching box | LEANFLASH CUMUL

Reference : 633

Description :

The KANBAN batching box |LEANFLASH CUMUL offers the possibility of easily combining many cards corresponding to visual production flows for 9 multiple references. - The inserts are adjusted according to the card capacity desired in order to save space.

- Use of colours or universal Kanban cards
- Provided with 8 interleaves and 9 magnetic labels

Benefits :

- This Kanban batch box allows you to easily organize your production by batch, view and quickly determine the scheduling of your series.
- The Kanban batch box is modular: the spacers separating the batches can be adjusted in height according to the desired card capacity per level.
- The Leanflash Cumulus is magnetic and has a maximum capacity of about 500 Kanban cards.
- Tip: associate a color code for each batch reference for faster and more efficient viewing.
