
Geometrically shaped fabric seat | DESIGN POUFFE

Reference : 14901

Description :

Our solid designer pouffes can be used to quickly arrange an informal space at your facilities. The two available types of pouffe can be used as additional seating in a creative or rest space and contribute to employee wellness.

Benefits :

- Quickly arrange a working space, reception area or break rooms.
- Collaborative furniture which can easily fit into any interior design projects.
- A more personal and relaxed space.
- The individual modules allow you to adapt it to your needs.
