

Pictograms Safety vest M015

Reference : 14934

Description :

All adhesive pictograms for floor marking have a non-slip coating. Thanks to its acrylic-based adhesive, it adheres to all types of smooth surfaces without drilling. The safety pictograms comply with the EN ISO 7010 standard and provide an orderly and reassuring image in production workshops.

Benefits :

- Pictograms in accordance with EN ISO 7010
- Provides an orderly and reassuring image in production workshops
- Ideal for identifying workspaces and enforcing business organization at a lower cost
- Easy installation
