

Pictograms ESD protected area | ESD PICTOGRAMS

Reference : 15575

Description :

All the adhesive pictograms for floor marking have a non-slip coating and offer an orderly and safe image in production workshops. The ESD protected area pictogram indicates that you are on an antistatic conductive floor which will dissipate static electricity. Dimension: 200 x 200 mm

Benefits :

- Perfectly adapted to smooth floors and harsh environments
- Resistant to frequent passage and wear
- Provides an orderly and secure image in production workshops
- Ideal for identifying workspaces and ensuring compliance with company organization at a lower cost
- Easy to install
