REINFORCED CASE

The shockproof case with shoulder strap and tempered glass, robust and elegant, will effectively protect your E-STATION touchscreen tablet in the event of shocks or falls.

The 360 degree rotating handle allows a firm grip of the tablet in complete safety. The very precise cutout of this cover allows quick access to the various tablets buttons and ports, thus guaranteeing full access to all the functions.

The protective film is made of 9H hard tempered glass to protect the screen from scratches and daily wear and tear. It has the hydrophobic and oleophobic coating that helps reduce the absorption of fingerprints, sweat, dust and oil residue on the surface.

- **Compatibility: E-STATION 10.5"**
