

STAINLESS STEEL BOARD

Magnetic stainless steel board

These **magnetic Stainless Steel Board** are intended for use in demanding environments such as food processing, health care, chemicals, etc. Visual management can therefore be implemented in any environment. Documents and indicators are normally laid out using the PRODOC system (magnetic or adhesive document covers), in formats from A6 to A3 coupled with 14 colours that are chosen according to the topic. PRODOC ETANCHE, waterproof on all four sides, is ideal for use in damp environments.

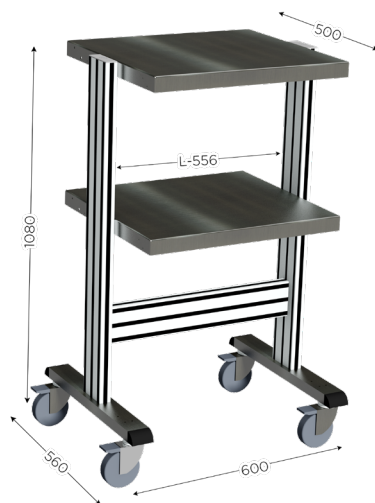

- STAINLESS STEEL grade used: 4509L

CODE	DESIGNATION	LEAD TIME	PACKING
411950	W 900 x H 600 mm / W 35.43 x H 23.62 inch	15 days	Premounted
