

RAIL ON PORTICO

Aluminium rail on gantry

INDICATION, MARKING, SAFETY

Rail on portico with grooves on 4 sides.

This aluminium frame is designed to allow easy organization of workshop signage, in particular to identify the location of components or other storage zones. The frame consists of 3 aluminium rails that are grooved on 4 sides. Two rails are 2000 mm/**78.74 Inch** high and the rail in between is 3000 mm long.

- The aluminium profile and 2 baseplates with a diameter of 325 mm/**12.79 Inch** ensure a high level of rigidity and stability.
- The aluminium rails are grooved for fitting document holders, which you can customize yourself with the help of the holding bracket.
- **PRODOC CASE and straps sold separately**
