Broaden the scope of your communication with the new SESA SYSTEMS® concept.

An inspired wall-mounted, high-quality display board [MOD'INFO] for visual information in the field. Creative, effective, modular, upgradable—it makes implementing all your projects child's play (production cell control charts, autonomous work teams, 5S, TPM, SMED, KAIZEN, PDCA, etc.).

- Enamel 800° for magnetic attaching and felt writing quality
- White lacquered metal sheet for magnetic attaching
- Attaching kit will be provided
