

TOP'INFO 3 SIDED

Rotating and magnetic display support

LARGE

SMALL

Appealing and attractive due to its anodised aluminium structure, the TOP'INFO 3-sided **rotating display** offers up to 2.4 m² of communication space in the field. A rotating and height-adjustable unit thanks to its base support, it will form a dynamic to coordinate a group or production unit. A large range of accessories allow you to personalise your visual management tool.

- Lacquered white sheet backing for magnetic display
- 800° enamel backing: Extremely resistant white backing to write with dry-erase markers and use as a magnetic display.
